Executive Officer

Fleet and Industrial Supply Center Norfolk

Captain Asa H. Page was born on February 4, 1957 and grew up in Virginia Beach, Virginia. He graduated from Virginia Military Institute and was commissioned into the Navy in November 1980.

After completing the Supply Corps Officer Basic Qualification Course at the Navy Supply Corps School in Athens, Georgia, he was assigned to the *USS Nimitz (CVN-68)* where he served his initial division officer tour in various assignments as the Disbursing Officer, Assistant Stock Control Officer and Material Officer. In January 1984 he was selected to participate in the Navy Acquisition Contracting Officer Intern Program and attended training at the Army Logistics Management Center at Fort Lee, Virginia. He was subsequently assigned to the Naval Regional Contracting Center, Long Beach, California from March 1984 to April 1986 where he served as a warranted contracting officer assigned to the *USS Missouri (BB-63)* Reactivation Program.

From April 1986 to June 1988 he was assigned to the *USS Duncan (FFG-10)* home ported in Long Beach, California where he served as the Supply Officer. From July 1988 to December 1989 he attended the Naval Postgraduate School, Monterey, California and earned a master's degree in acquisition and contract management. After graduation from the Naval Postgraduate School, he was assigned from January 1990 to June 1992 to the Naval Supply Depot, Guam, Mariana Islands where he served as the Director of Contracts. He subsequently served as the Director of Planning and Operations where he was involved in the direct coordination and support for the repatriation of U.S. citizens from the Naval Station Subic Bay following the eruption of Mount Pinatubo.

In July 1992 he was assigned to the staff of Commander, Navy Surface Forces, U. S. Atlantic Fleet where he served in the logistics directorate as the SNAP II Technical Support Officer and then subsequently as the Supply Operations Officer. As the Supply Operations Officer, he was responsible for overseeing the short fuse load-out and logistics support of the hospital ship *USNS Comfort (T-AH 20)* during her reactivation and deployment in support of Operation Sea Signal and Operation Provide Comfort, for processing at-sea Cuban and Haitian migrants.

During the period May 1996 through January 2000 Captain Page was assigned to the staff of the Commander, U.S. Atlantic Fleet where he served in the Comptroller Directorate as the Financial Reports and Accounting Officer. From February 2000 to August 2001, he served as the Supply Officer aboard the *USS Saipan (LHA-2)*. From September 2001 through September 2004, Captain Page was assigned to the staff of Commander, Navy Region Mid-Atlantic where he served as Regional Comptroller and Business Manager.

In October 2004, Captain Page reported aboard the Fleet and Industrial Supply Center, Norfolk where he serves as the Acquisition Department Director.

Captain Page attended the Executive Development Program at the Colgate Darden School of Business, University of Virginia and the Columbia Senior Executive Program, Columbia University. He has attained both the Navy Surface Warfare Supply Corps Officer designation as well as the Naval Aviation Supply Corps warfare designator. His awards include the Legion of Merit, the Meritorious Service Medal with two gold stars, the Navy Commendation Medal with one gold star, and the Navy Achievement Medal with one gold star.
